China(Guangzhou) International Safety and Health Expo(CISH), the largest safety and health exhibition in South China, was successfully held for 8 years and warmly welcomed by professional traders. CISH 2016 will be held on June 13-15, 2016 in Guangzhou Pazhou Poly World Trade Center Expo.

We have established long-term strategic partnership with nearly ten authority associations from the United States, Germany , UAE, Australia , Singapore, India , Hong Kong, Macao and Taiwan etc. We will provide practitioners in the global safety industry with exchange and cooperation platform , and contribute to human's safety.

A new idea is put forward in CISH 2016. "One plus Four": Once you paid up the exhibition fee in 2016, then you can not only participate free from 2017 to 2020, but also get 25% refund of the total exhibition fee in 2016 in the coming four years.

CISH 2016 will include:

1. Individual labor protection products
2. Professional clothing and materials
3. Safety environmental protective products, special protective equipment
4. Safety technology consulting training, labor protective technology course, professional media, assessment and certification institution
